BC Assessment 2026/27 Tax Levy

On March 26, 2026, the Board of Directors of BC Assessment passed the British Columbia Assessment Authority Tax Levy Bylaw 69. This bylaw received prior approval by the Treasury Board on March 12, 2026, as required by section 17(2) of the [Assessment Authority Act](#).

In accordance with section 20(1) and (2) of the Assessment Authority Act, we have attached a copy of the bylaw and ask that you have the taxes levied placed on the tax roll for your jurisdiction using the rates set for each property class. BC Assessment's tax rates should be applied to the hospital tax base.

You may also view a copy of the bylaw on our website at: <https://info.bcasessment.ca/services-and-products/government/local-government/Pages/Tax-Levy-Documents.aspx>

Please ensure that the funds raised by application of this tax levy are remitted to BC Assessment before August 1, 2026, as required under section 20(3) of the Assessment Authority Act. Any outstanding amount remaining unpaid after August 1 is subject to interest in accordance with the Act. The [Tax Levy Remittance Form](#), along with electronic funds transfer information, is also available on the BC Assessment website.

For any questions, please contact BC Assessment's Manager of Financial Operations at ar@bcassessment.ca.

Sincerely,

Eileen Hu
Vice President & Executive Financial Officer
